Summary

As a passionate Full Stack Web Developer, I excel at collaborating with cross-functional teams to create dynamic and responsive web applications that meet client needs. I am a quick learner, adept at problem-solving, and committed to staying up-to-date with industry trends and best practices. With strong attention to detail, my focus is on delivering results.

SKILLS

JavaScript, Node.js, React, Node.js, MongoDB, Redux, PostgreSQL, HTML, CSS, Tailwind, Next.js

EDUCATION

DigitalCrafts | February 2023

Gained expertise in front-end and back-end development technologies including HTML, CSS, JavaScript, React, & Node.js.

Lone Star College | August 2019

RECENT PROJECTS

Star Wars Encyclopedia | March 2023

[Website](#) | [Github](#)

- UI-project I created with 1 other teammate to display information from the first 6 Star Wars films.
- Allowed the user to see specifics of each movie as well as sections to see all characters, planets, ships, and more.
- Built with: JavaScript, HTML, CSS, Node.js, Express

The Kalos Project | April 2023

[Github](#)

- Full-stack project I created with 1 other teammate for a local startup to help promote sustainable agriculture.
- Delivered a dynamic and user-friendly website that highlights the company's amenities and encourages users to take action.
- Includes a user registration system with encrypted passwords, and provides admins with database management capabilities.
- Built with: JavaScript, Node.js, MongoDB, HTML, CSS

EzGo | May 2023

[Website](#) | [Github](#)

- Full-stack project created with 1 other partner to provide users with the ability to integrate eco-friendly modes of transportation into their everyday commutes
- .Ability to Login with NextAuth, plan a route, save multiple routes to a database, and check saving of any route with multiple modes of transportation.
- Built with: Next.js, Prisma, mongoDb, Tailwind CSS, NextAuth

WORK EXPERIENCE

CVS | Front Store Supervisor | The Woodlands, Texas | November 2021 - February 2023

- Developed innovative solutions to optimize store performance and improve customer and employee experience.
- Built strong relationships with cross-functional teams and effectively managed expectations throughout the project lifecycle.

Sonic | Shift Manager | The Woodlands, Texas | August 2016 - December 2019

- Responsible for overseeing day-to-day operations, ensuring optimal efficiency, and identifying areas for improvement.
- Led a team of employees, ensuring that each team member was trained effectively and able to perform at a high level.
